

Website Privacy Policy

Pursuant to Article 13 of EU Regulation 2016/679 (hereinafter “GDPR”), we inform you that the data related to your browser activity on the website of the writer is collected by the following means and for the following purposes.

1. Purpose, Scope, and Legal Basis of the Processing

The Data Controller processes the following data:

Browser data: During normal operation, the computer systems and software that run the website collect some personal data automatically, the transmission of which is an inherent feature of Internet communication protocols. This data is not collected to be associated with identified individuals, but by its very nature, could allow users to be identified. This category of data includes the IP addresses or domain names of computers used by users, the URL addresses of the requested resources, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the server’s response (successful, error, ...), and other parameters pertaining to the user’s operating system and information technology environment. Said data may be used to verify the correct functioning of the website and to ascertain responsibility in the event of hypothetical cyber crimes against the site. The processing is necessary to guarantee the operation of the website. The legal basis is the legitimate interest of the designated Data Controller named below.

Data voluntarily provided by the user: The optional, explicit, and voluntary submission of personal data by the user, including through the completion of information request forms present on this website, entails the subsequent acquisition by the Data Controller of the data provided by the sender. Said data is necessary for the provision of the requested service or the service available on the portal managed by the writer, and/or to respond to inquiries, as well as for correlated administrative and accounting purposes. The legal basis is the performance of a contract to which the data subject is a party and/or the execution of pre-contractual measures adopted at the data subject’s request.

2. Modalities and Duration of Processing

Pursuant to Article 5 of the EU Regulation 2016/679, we inform you that the data provided through the website will be:

- processed in accordance with the principles of lawfulness, fairness and transparency
- processed with appropriate security measures to safeguard their integrity and confidentiality;
- collected by means necessary to fulfill the aforementioned purpose and processed in a manner compatible with said purpose;
- stored in digital formats and, if necessary, in paper formats, protected and kept in compliance with applicable legislation;
- stored for the period of time not exceeding that which is necessary for the achievement of the purposes for which the data is processed.

3. Access to and Communication of Data

Data will be processed by the personnel authorized to manage the Website or the service offered in their role of data processors and/or system administrators, and by third party companies or other subjects (eg: banking institutions, insurance companies, professional firms, consultants, etc...) appointed as external service providers to carry out activities on behalf of the Data Controller.

4. Data Transfer

Personal data is currently stored on servers located both within and outside the European Union. The Data Controller reserves the right, if necessary, to transfer data to non-EU countries. In such cases, the Data Controller ensures that any personal data transfer to non-EU countries will occur in full compliance with applicable legal provisions.

5. Nature of Data Provision and Consequences of Refusal

The conferment of the personal data by the user through information forms is optional.

6. Rights of the Concerned Data Subjects

The concerned data subjects have the right to obtain confirmation from the Data Controller as to whether or not personal data concerning them is being processed and, where that is the case, to access said data and request its rectification or deletion, or the restriction of its processing; they also have the right to object to the processing at any time, if possible. In addition, concerned data subjects have the right to data portability where technically possible, and to withdraw consent at any time without affecting the lawfulness of processing based on consent given before its withdrawal. Furthermore, concerned data subjects also have the right to lodge a complaint with the competent supervisory authority. The rights above may be exercised by sending a written request to the INTERNATIONAL SCHOOL OF TRIESTE, Via Conconello 16, 34151 - Opicina (Trieste), or via email at info@istrieste.org.

7. Data Controller
